ARCHAEOLOGICAL SITE SALONA

A key to Unlocking Dalmatia's Identity

To connect with the very essence of Split and the surrounding region, visiting the Archaeological Museum in Split is a must. As the oldest museum in Croatia, the Archaeological Museum in Split is the guardian of rare and priceless artefacts, exclusively preserved within the museum's walls. Just outside Split, the ancient ruins of Salona, once the capital of Roman Dalmatia, complement the museum's collections, bringing history to life through augmented reality. Together, these two iconic sites offer an immersive experience of Dalmatia's rich heritage.

Don't miss the chance to explore the roots of modern Croatian culture!
